

The Southington Education Foundation, Inc. (SEF) is a non-profit organization committed to enriching the minds and lives of Southington’s most impressionable community members – its school students.

The Southington community has always valued and supported a high-quality, high-achieving public education system. The SEF works in collaboration with that mindset to further ensure that our children acquire a lifelong passion for knowledge and growth long after they’ve left our Southington classrooms. The SEF operates independently of the Southington Board of Education and local tax dollars to secure funding for worthwhile, relevant projects that otherwise would not be available to our school children.

Our mission is to instill a life-long love of learning in our children through innovative and creative initiatives that expand upon existing educational opportunities. Your donation will help ensure we can continue that mission.
