2011 Fan of the Foundation Gala Garnerers Students \$35K

CFGNB President Jim Williamson attended the gala and announced that evening that he was impressed with fundraising efforts and would indeed fulfill the challenge grant!

Helping to raise profits was Valentine the Clown, who made a special guest appearance during the live auction to help drum up bids. A photo collage created by Southington High School students earned an unprecedented amount as did the coveted one-day assignment of superintendent of schools. New this year was ownership of a time-share in Aruba, donated by a generous SEF member, and a performance by Southington Brass.

Thank-you to all businesses, community and school organizations and individuals who sponsored and supported this event. To view more photos, visit our Facebook page or our website.

With the support of nearly 300 guests and a \$5,000 challenge grant from the Community Foundation of Greater New Britain, the Southington Education Foundation raised \$35,000 at its third annual "Fan of the Foundation" gala. All proceeds will be channeled into the Southington school system via grants and other district-wide projects and initiatives.

Just weeks prior to the gala, the CFGNB issued a challenge to the SEF regarding proceeds from the event: raise more in profits over last year's totals and earn an additional \$5,000.
