**SOUTHINGTON EDUCATION
FOUNDATION, INC.**

Instilling a love of learning.

Support Southington school children simply by enjoying a hearty meal Saturday, Jan. 23, at the Outback Steakhouse on Queen Street. The Southington Education Foundation is hosting a philanthropic fine dining experience in support of its mission to instill a love of learning in the town's children. Tickets are \$25 each and include a steak and chicken dinner with vegetable, dessert and beverage. Seatings are at 11:30 a.m. and 12:30 p.m.

One-hundred percent of the ticket proceeds are being donated to the Southington Education Foundation, a non-profit organization committed to enriching the minds and lives of the town's most impressionable community members – its school students.

The Southington Education Foundation supports innovative and creative initiatives that expand upon existing educational opportunities currently available in the town's classrooms. Currently, the SEF is offering \$500 mini grants to teachers and educators in the community who propose dynamic, imaginative programs.

SEF operates independently of the Southington Board of Education and local tax dollars.

For tickets, contact Dr. George Costanzo at 860.621.0131 or visit his office at 340 North Main St., Southington. For more information on the Southington Education Foundation, visit www.southingtoneducationfoundation.org.
