Review and Approval of Grant

Jan reported the unanimous recommendation by the Grant Committee and moved that the Board review and approve the STELLAR Store grant application and award \$2999.02 to Southington High School's transitional learning program to develop an initiative whereby students aged 18-22 with disabilities gain vocational, social and financial learning experiences by opening and operating a store front in Southington.

Katy seconded the motion. A discussion followed as to how the program would continue if the current site became unavailable. Jan will follow up on that concern with the awardee.
